*Nothing is rated as high as reliability*

Since 1993 SIAIVO has been supplying best quality commodities for the manufacturing of nutrition products. We offer only **non-GMO** goods of **Ukrainian origin**.

Our company has established and applies a Quality Management System according to the standard **ISO 9001:2008** in purchasing, accepting, cleaning, storing and shipping by client order of agricultural and food products.

The highest award for us is to have satisfied customers, who having cooperated once, became our loyal partners.
